Our Mission:

Our medical providers and staff are dedicated to providing the most current, compassionate and comprehensive pediatric care to our families from birth to age 21. We seek to provide a medical home for all of our families with services that are professional, courteous and timely.

To our valued Patients,

Welcome to our practice! Thank you for choosing Gainesville Pediatric Associates as your children's medical home.

Our office is open Monday through Friday from 8:00am – 5:00pm, Saturday 8:00am – 12:00pm by appointment only. Please note that our patient coordinators are available everyday and will do their best to accommodate you. Scheduling an appointment is essential to ensuring all patients receive the time they require for quality medical care. Pediatric After Hours Care is coordinated with UF Health Shands, they can be reached at 352-265-0724 to schedule an emergent appointment when our office is closed.

Before you visit, please notify your health insurance company of your new primary care provider, if required. We also request a copy of your insurance card and guarantor driver's license be provided at the patient's appointment.

Our providers are excited to announce that your Patient Portal is ready to be activated! Our Patient Portal is an optimal way to make the most of your time here at GNVPA, it offers a variety of ways to communicate with your provider such as...

- Appointment Requests
- Medical Refill Requests
- Nurse/Provider Messaging
- View Growth Charts
- View Medical Records
- View Billing Statements
- Access Immunization History
- Check In to your Appointment

Prior to scheduling your initial visit, you will have received an email with new patient paperwork attached. All paperwork must be completed, medical records obtained, and your patient portal activated. You will receive a confirmation email and text 2 days prior to your visit, if our patient coordinators see that your appointment has not been electronically confirmed you will also receive a call to the primary number on file.
